BOARD OF TRUSTEES
THE THEOLOGICAL SEMINARY OF THE PRESBYTERIAN CHURCH
IN THE UNITED STATES OF AMERICA
PRINCETON, NEW JERSEY

BRYANT M. KIRKLAND, D.D., PRESIDENT

FREDERICK E. CHRISTIAN, D.D., SECRETARY

June 15, 1977

To the Students in Residence during the 1976-77 academic year:

The year 1976-1977 ranks with other red-letter years that have made their way into the "REMEMBER WHEN" category.

Floods, storms, national and natural catastrophies are the stuff around which such recollections gather, and who will forget the intense cold of last year's winter?

The Board of Trustees was informed at its Annual Meeting that, although last winter had a 19% increase in degree days, the Seminary used only 4% more fuel than it did the previous year. The Board was also informed of the many ways in which the members of the Seminary community cooperated, with the specter of fuel shortages always at hand.

The Board has asked me to thank all of you for cooperating so helpfully in this difficult and trying period.

Thank you all again.

Sincerely,

/s/ Frederick E. Christian

TO UPUSA STUDENTS:

"As modified by vote of the presbyteries and confirmed by the 184th General Assembly (1972), The Form of Government now reads in part:

> In the second year of seminary,....The presbytery also shall satisfy itself of the candidate's thorough knowledge of the Bible. To this end the presbytery shall accept a certificate of a passing grade in an examination in Bible content that shall be prepared and administered by the Presbyteries' Cooperative Committee on Examinations for Candidates. (F.G. 48.07)

PCC voted in the 1977 Annual Meeting to make the Bible Content Examination available to the student AS EARLY AS POSSIBLE during seminary training rather than giving access to it for the first time in the middler year, as was previously done. While preparation for the exam should be centered upon study of the Bible itself, working through exams of previous years may be helpful for the student. If the exam is failed, presbytery is urged to determine with the student what remedial study is required in preparing for the next examination. PCC also voted in 1977 to remove true-false questions from this test."

"The next Bible Content Examination for all candidates for future ordination by the United Presbyterian Church will be administered on Friday, February 3, 1978, at 10:00 a.m. at the places where the candidates are studying. TO BE OFFICIAL, THE TEST MUST BE TAKEN AT THIS STATED TIME. Students who fail the test for the first time should plan to re-take it in the following year."

Applications to write the Bible Content Examination in February, 1978, may be picked up at and returned to 101 Hodge Hall. THEY ARE DUE BY OCTOBER 20, 1977.

NOTE: This examination is given only once a year. A limited number of exams from other years are available in 101 Hodge Hall and at the Circulation Desk of Speer Library. They may not be borrowed, but they may be xeroxed for your own use in preparing for the test.

Therefore, when the Seminary applied for permission to build Erdman Hall, it was necessary to agree that every effort would be made to encourage students and their guests to park IN SEMINARY FACILITIES and not on Edgehill Street. YOUR cooperation will be greatly appreciated. W. E. Lawder.

The Trustees

appeared to believe that the Board was not the place to look for participation in the initiation of policy. It was observed that the major 1970-71 issue was investment policy and that concerns on educational policy and appointments were probably better directed to the responsible administrative and faculty persons.// MOVED AND PASSED: That the Executive Committee arrange for a PUBLIC DISCUSSION of the nature and structure of SEMINARY GOVERNANCE, with the presumption that the Viewpoint might both report the discussion and seek further reactions.'' MOVED AND PASSED: That the Executive Committee consult with the FIELD EDUCATION OFFICE and arrange a PUBLIC FORUM for a focused consideration of frustrating Field Education experiences, when redress through appropriate channels is not found.//VOTED: that a summary of this and subsequent meetings of the Conference be made available for publication to the Viewpoint, The Wineskin or both.

New Medical Insurance Certificates, packets of information and claim forms for ALL STUDENTS ENROLLED, new and continuing, in the PTS Plan should be picked up from Mr. Crossland in the Campus Center Foyer on Thursday, 3 November, between 9 A.M. and 1:30 P.M. A. T. Getty.

PLEASE COME FORWARD IF YOU KNOW:

On the morning of 19 October Mr. Hector Gomez, the Stockton Street campus maintenance person, parked his pick-up truck in the lot behind Tennent Hall at approximately 7:30 o'clock. About 8 A.M. he walked past the vehicle and noticed that there was a deep dent on the side, evidently made by another vehicle turning too close to the truck. There were no vehicles parked near his, either when he parked or later on, so we can only conclude that someone parked next his truck after 7:30, in so doing scraped its side, and then immediately moved to another location. Since the accident was definitely the responsibility of the driver of the other vehicle, and since it is estimated that the cost of repair will be about $84 more than the $200 deductible, we are very concerned that the person who operated the second car be found. If anyone has any knowledge as to the owner or the driver of this vehicle, it will be appreciated if they contact Mr. Gomez. William E. Lawder.

A LIVING MEMORIAL TO TOM BRIAN: Shortly after Tom Brian passed away members of the Princeton Seminary staff indicated that they would like to establish a living memorial to him. I am pleased to advise that the Seminary has obtained from Princeton Nurseries an oak tree, 3½ inches in diameter. It will be placed in the lawn between Hodge Hall and Springdale, to replace an evergreen which has been there for many years. Delivery is expected in early spring, the best time for transplanting large trees. William E. Lawder.

A PRECAUTIONARY NOTE FOR WOMEN ON CAMPUS: Two women joggers in the PTS area have been raped within the past two weeks. Police Chief Carnevale suggests that wommen joggers run only in pairs and vary their routes. We suggest that PTS women be alert to their surroundings and take reasonable precautions, especially when walking on or near campus at night. Don't hesitate to ask a friend or a security guard to see you safely home!

INFURIATED by recent charges that the quality of volleyball expertise at PTS has become as effective as Baal's. . we of GOLIATH'S REVENGE are eager to "unpack where WE are coming from" and "demythologize" those errant charges. (Slingshots are deemed inappropriate.)

We are in the process of securing funds to upgrade the PTS weightroom and other athletic facilities. Any and all concerns and suggestions for change will be welcomed. Please give me a call or drop me a note. Rich McDermott, 415 Hodge (924-5278).

If anyone in our Seminary family needs blood--for an operation or other emergency--please do not hesitate to contact me. Thanks again. Clarence E. Reed, Co-Chairman, Princeton Blood Program.

A THANKSGIVING SONG

The gleaming plow is now at rest,
All quiet in the shed.
Once gracefully the furrow flowed,
Each strip a soft brown bed
Turned up to face the warming sun,
A sponge for the soft spring rain,
Prepared with care to receive with hope
The seed of the golden grain.

The seed sprang forth in neat green rows,
Covering the soil again.
Heavy and tall it grew in the sun,
And it waved with the wind and the rain,
As the ocean waves roll to shore in storm,
Then quite and calm they remain,
Awaiting the harvest fulfilling the plan,
God's measure of goodness bestowed upon man.

The Autumn skies are heavy now, the blue of summer gone.
The north wind blowing o'er the earth sings a winter song.
The heart of man needs to sing today,
Giving thanks for the Father's care,
For loved ones, for beauty, for a garden on earth,
For a Saviour, a Godhead so human by birth,
Understanding our failings and our needs, He did give
His life as a ransom that mankind might live.

Leon E. Hoch

NOTES

1. In the past few years Mr. Jones has led some exciting and meaningful retreats at PTS and other seminaries across the country. He offers excellent ideas and resource materials for persons interested in the relationship style of small-group ministry, as well as information on summer internship programs in churches. If you have any questions, contact Rick Tindall, 315 Hodge or 921-0423.

2. The Academy, founded 13 years ago by Dr. Donald Macleod, Professor of Preaching and Worship, brings annually to this campus some 50 teachers of preaching from seminaries in the United States and Canada. Discarding the traditional program of theme speaker and study groups, the members will this year devote their sessions to study and discussion of a series of position papers on "Issues in the Teaching of Preaching." Such themes as theology and preaching, a hermeneutical model for preaching, the miracle of witness, men and women learn to preach, and helping the clergy to get it all together in the chancel have been announced. Dr. Macleod, the Academy's first president, has served as secretary throughout the group's life.

3. Biblical and theological reflections on homosexuality. Mr. Gump is an ordained Presbyterian minister; Father Carron, a former Roman Catholic priest; and Mr. Cooper, a Jewish graduate student at Columbia University. The same three speakers visited PTS in April 1977. Students found them both articulate and theologically engaging. The issue of ordination of homosexuals comes before the General Assembly, UPUSA, this coming spring; it is, therefore, hoped that as many students as possible will take advantage of this opportunity to hear the speakers' point of view and to think through the issue they are bringing to us. A short article on the Biblical view of homosexuality is on reserve at the front desk of Speer Library you may care to read it as background for discussion Thursday night. The presentation is sponsored by the Social Action Committee.

4. Mr. Gordon, a free-lance photographer, spent three months in China in the summer of '76, working in communes and factories, and returned to China in '77. Thus he has extensive experience of daily life in the socialist society of China. He will speak in particular about the changes which occurred in the cultural fields after the fall of the "gang of four." His slides are of folk art in the Long Bow Village, Shansi Province, North China; other artistic expressions of peasants and workers are included. Sponsored by the International Students Association, the Princeton Seminary chapter of Christians for International Solidarity, and the U.S.-China Peoples Friendship Association. Admission free.

In its preface he states: "I do not purport to know all the answers to all the questions. I do try, however, to interpret honestly and authentically a black experience within the complexity of the meaning of blackness in South Africa. And it is from within this reality that I wish to respond to the theological articulations of brothers and sisters in North America, Asia, Latin America and the rest of Africa." SENIOR PLACEMENT: Grace may abound but jobs will not--unless you get your Dossier in! This is true for Presbyterians on BOTH sides of the Mason-Dixon line!

NB: Members of the Seminary community are reminded that the reading and examination period is regarded by the faculty as an integral part of the academic semester. Where absence during this period interferes with the scheduled completion of requirements, it is expected that petitions for rescheduling will be supported in ways that would be acceptable during times when classes are in session. Voluntary absence from the campus is not ordinarily an appropriate reason for seeking an exception from normal Seminary procedures. The Registrar.

URGENT NOTICE

TONIGHT (THURSDAY, 1 DECEMBER), CAMPUS CENTER AUDITORIUM, 9:30 P.M. -

WAYNE ALDERSON WILL PRESENT HIS FILM AND LECTURE, "THE MIRACLE OF PITTRON." Wayne Alderson (who will also preach in the Princeton University Chapel Service on Sunday, 4 December, at 11 A.M.), a former executive in the steel industry, is a Presbyterian layperson who put his life where his faith is: in developing sensitive labor-management relations he started Bible studies among the workers, as well as a theory of person-centered management. As a result, he lost his job, since when he has been showing his film and sharing his ideas with the Church.

NOTES

1. We need to start planning NOW! This is the time to indicate your interest in serving on any of the planning groups which will have input in the Vigil (to be held 25 March 1978). Information sheets about the Vigil are available in the back of Miller Chapel--or see Dr. Duba or Judy Gerlitz.

2. Session open to ALL who are interested. Whether you are jittery or self-assured, this hour or so may be an excellent investment of time. Last year's class found Dr. Foulkes very helpful.

(Continued, page 3.)

3. As a summer staff person with ACMNP you would have the opportunity of providing services of worship in some of the most spectacular areas of our country--areas often isolated from contact with local churches. You would also work side by side with those you serve as a worker/priest. Each ministry location has its own unique opportunities and needs. This requires a person with maturity, a faith in Jesus Christ which is dedicated and open to creative expression, and the ability to live and work with other people and other faiths. *This ministry provides a program of supervision for Field Education credits.*

4. A special delegation of the Cuban Student Christian Movement, now visiting in this country, will accompany Mr. Piedra. University students and teachers, as well as pastors, are included in the group, which is sponsored by the World Student Christian Federation. With them will be Emidio Campi, General Secretary of the WSCF, and Peter Johnson, secretary of the North American region of the organization.

5. This is Princeton Seminary's Second Annual Short Story Reading Classic. Featured will be Mr. Brower's reading of the Richard Connell adventure thriller "The Most Dangerous Game." Mr. Brower, a professional stage and television actor, is best known for his one-man program, "A Friendly Visit with Mr. Frost," which has been seen coast to coast. He has been a member of the Department of Practical Theology since 1954. (Refreshments will be served.)

6. Due to our somewhat secluded location on the edge of campus, the men of the "Pits Ritz" annually take this opportunity to invite the entire Seminary Community to become better acquainted with us.

NOTES

1. The lecture is presented in conjunction with Professor Gerald Anderson's course, "Encounter of Christian Faith with Other Faiths." Dr. Boesak has been described as "the articulate new theological voice for the Black people of South Africa." He has played a leading role in the darfting of position papers by various professional theological groups in South Africa and has spoken widely at pastors' conferences to help develop strategies for the Church in a difficult time. His work at the University of Western Cape has made him a leading voice for student activity, while he has continued his pastoral functions in a church adjacent to the university campus. His recent book, "Farewell to Innocence," attempts to discern theological direction for South Africa in the light of traditional theology, Black theology in the United States and Liberation theologies in general. "I do not purport to know all the answers to all the questions," he says in the preface. "I do, however, try to interpret honestly and authentically a black experience within the complexity of the meaning of blackness in South Africa. And it is from within this reality that I wish to respond to the theological articulations of brothers and sisters in North America, Asia, Latin America and the rest of Africa." His first introduction to the wider circles of church people in the United States was at the triennial meeting of the United Presbyterian Women at Purdue University in 1976. In his present tour he will speak at Union Theological Seminary (New York), Colgate-Rochester Theological Seminary, Duke Divinity School, Pittsburgh Theological Seminary, Interdenominational Theological Center, McCormick Theological Seminary, Wooster College and San Francisco Theological Seminary, as well as here.

2. Soloists will include David Litton, treble, and Robert Jacks, baritone, with Harold Pysher, organist. William Kosanovich is director of the newly organized Brass Ensemble; and James Litton, C.F. Seabrook Director of Music, will conduct. Included will be the carol arrangements "Christmas Day," by Gustav Holst, and "Fantasia on Christmas Carols," by Ralph Vaughan Williams, "Sir Christemas," by William Mathias, John Rutter's arrangement of "The Twelve Days of Christmas" and other traditional and modern carols and Christmas hymns. Featured will be the alternate singing of several carols by choir and congregation. After the concert the choir, brass ensemble and congregation will gather on the steps of Miller to sing traditional Christmas hymns and carols by candlelight. The public is cordially invited to attend.

3. Chris, Jan, Lee Ann, Carol and Bill invite the Seminary Community. See directions in Campus Center--or call. We promise a warm fire, hot apple cider and a wonderful view of Christopher Columbus. Bring your kazoos for caroling!

WOMEN'S CENTER STANCE ON STUDENT GOVERNMENT: The Women's Center has chosen NOT to fill the newly designated position on the Student Government. For information on our position see the Women's Center statement on the bulletin board in the Campus Center. Any woman elected to the position by petition or a write-in vote represents herself and is not the Women's Center's elected delegate.

READING/ EXAM PERIOD ABSENCES: Members of the Princeton Seminary Community are reminded that the reading and examination period is regarded by the faculty as an integral part of the academic semester. Where absence during this period interferes with the scheduled completion of requirements, it is expected that petitions for rescheduling will be supported in ways acceptable during times when classes are in session. Voluntary absence from campus is not ordinarily an appropriate reason for seeking an exception from normal Seminary procedures. The Registrar.
